- (u) land Use Certificate from the Competent Authority designated by the State Government.
- (v) building Plan of the proposed college prepared by a registered Architect and approved by the Competent Authority designated by the State Government;
- (w) registered documents by the registered Society/ Trust/Company earmarking land and buildings for the proposed college;
- (x) detailed Project Report, giving-**
- (i) background of the Society/ Trust/Company with reference to its experience in promoting, managing and operating educational institutions; details of its promoters including their background; its activities in the social, charitable and educational spheres since its inception and its Vision and Mission;
- (ii) development plan for the college with timeline, spelling out its growth plan over the first ten-year period in terms of phasing of academic programmes/ increase in students' intake and introduction of postgraduate programmes/research, and the time schedule for stage-wise development of the academic infrastructure, like recruitment of faculty, and other support facilities, including student amenities, such as hostels, sports and recreational facilities;
- (iii) architectural master plan indicating the land use pattern including those for the future;

- (iv) policy with regard to faculty recruitment, retention and development;
 - (v) structure of academic and administrative governance;
 - (vi) sources of financing of capital and operating expenditure, besides funds to be generated through students' fees; and
 - (vii) resource projections and their utilization schedule.
- (y) other documents, if any, prescribed by the State Government and the University, from time to time.
- (5) The management shall submit a hard copy of the online application along with the attested copies of the required documents mentioned in Clause (4) above to the Academic Section of the University before the last day of the September of the year preceding the year from which the letter of intent from the State Government is sought.
- (6) Procedure as notified for grant of permission from the State Government for opening new college or new course, subject, faculty, division or satellite centre and procedure as mentioned in notification for grant of affiliation and provisions of notification for continuation of affiliation, as may be applicable, shall be complied with.

275. PERMISSION FOR AFFILIATION AND RECOGNITION

Procedure for permission for opening new college or new course, subject, faculty division.

- (1) The proposal for opening of new colleges or institutions of higher learning off campuses or for starting new courses of study, subjects, faculties, additional divisions or satellite centres, shall be invited and considered by the university.
- (2) No application for opening a new college or institution of higher learning, which is not in conformity with the perspective plan prepared under section of Perspective Plans of The Gujarat Public Universities Act – 2023 shall be considered by the university.
- (3)
 - (a) The Management seeking a Letter of Intent for opening a new college or institution of higher learning shall apply in a prescribed format to the Registrar of the university before the (Date decided by Board of Management) of the year preceding the year in which the Letter of Intent is sought
 - (b) only those applications complying with the requirements and received within the prescribed time limit, shall be accepted and considered by the university;
 - (c) all such applications received within the aforesaid prescribed time limit, shall be scrutinized by the Board of Deans and be forwarded to the State Government with the approval of the Board of Management on or before (Date decided by Board of Management) of the year in which such application is received by the university The university shall submit along with the application, its recommendation, duly supported by relevant reasons, as are deemed appropriate by the Board of Management;
 - (d) out of the applications recommended by the university, the State Government may grant a Letter of Intent on or before (Date decided by State Government) of the immediately following year after the recommendations of the university under clause (c) The Letter of Intent may be granted to such institutions as the State Government may consider fit and proper in its absolute discretion, taking into account the relevant factors, the suitability of the management seeking Letter of Intent, state level priority with regard to location of institutions of higher learning,

etc The Letter of Intent shall be communicated by the State Government to the university, on or before the date specified in this clause :

Provided, however, that in exceptional cases and for the reasons to be recorded in writing any application not recommended by the university may be approved by the State Government for grant of a Letter of Intent to college or institutions of higher learning;

such Letter of Intent granted by the State Government shall be valid up to (Date decided by State Government) of the next following year The management shall have to comply with the necessary conditions mentioned in the Letter of Intent, within such period and submit compliance report to the university with the present status of the academic and infrastructure facilities and readiness to start the institutions with required documents for final approval;

- (e) such compliance report received within aforesaid time-limit, shall be scrutinized by the Board of Deans and be forwarded to the State Government with the approval of the Board of Management on or before, 1st day of May in which the compliance report has been received The recommendation of the Board of Deans and approved by the Board of Management shall be duly supported by relevant reasons and documents as are deemed appropriate by Board of Management:

Provided that, if the management fails to comply with the conditions of Letter of Intent, within the time limit as specified in clause (e), the Letter of Intent shall be deemed to have been lapsed:

Provided however that, in exceptional cases and reasons to be recorded in writing, the State Government may, on application by the management duly processed by the university, extend from time to time, the validity of Letter of Intent for further period which shall not exceed twelve months in the aggregate;

- (f) after considering the report of the university under clause (f), the State Government may grant final approval to such management as it may consider fit and proper in its absolute discretion, taking into account the State Government's budgetary resources, and other relevant factors, the suitability of management seeking permission to open new institution, etc The final approval under this clause may be granted on or before (Date decided by Board of Management), of the year in which such new college or institutions are proposed to be started Such approval from the State Government shall be communicated to the university Approvals granted thereafter shall be given effect by the university only in the subsequent academic year;

Provided however that, in exceptional cases and for the reasons to be recorded in writing any compliance report on the Letter of Intent, which is not recommended by the university, may be approved by the State Government

- (4)
- The management seeking permission to start a new course of study, subjects, faculties, additional divisions or satellite centers shall apply in a prescribed format to the Registrar of the University before the (Date decided by Board of Management), of the year preceding the year in which the permission is sought;
 - only those applications complying with the requirement and received within the prescribed time limit shall be accepted and considered by the university;
 - all such applications received within the aforesaid prescribed time limit, shall be scrutinized by the Board of Deans and be forwarded to the State Government with the approval of Board of Management on or before the 1st day of April of the year, with such recommendation duly supported by relevant reasons as are deemed appropriate

by the Board of Management;

out of the applications recommended by the university, the State Government may grant permission to such institutions as it may consider fit and proper in its absolute discretion, taking into account other relevant factors, the budgetary resources of the State Government and other relevant factors, the suitability of the management seeking permission, etc The permission shall be communicated by the State Government to the university, on or before the date specified in this clause:

Provided however that, in exceptional cases and for the reasons to be recorded in writing any application not recommended by the university may be approved by the State Government

(5) No application shall be entertained directly by the State Government for grant of Letter of Intent, under sub-section (3) or final approval under sub-section (4), as the case may be

(6) The application for starting new course of study, subject, faculty or additional division or satellite center by existing colleges or institutions of Higher learning, shall not be forwarded to the State Government by the university, if,-

a. they have not been accredited or re-accredited either from National Assessment and Accreditation Council (NAAC) or National Board of Accreditation (NBA) even though they are eligible and due for being accredited or re-accredited as per the norms of accreditation agencies; and

b. they have not complied with the conditions laid down by the State Government

(7) Notwithstanding anything contained in the Act or any other law for the time being in force,

a. no management shall establish or open a new college or an institution of higher learning in the State, except with the prior permission of the State Government;

b. no management shall start a new course of study or subjects, faculty, additional division or satellite centers except with the prior permission of the State Government;

Explanation - For the purpose of this sub-section, the expressions “establish or open a new college or an institution of higher learning” and “start a new course of study, subject, faculty, additional division or satellite center” shall include establishing or opening of such college or institution of higher learning, and starting of any such course of study, subject, faculty, additional division, or satellite center, on the basis of no grant-in aid from the State Government

(8) In case of extraordinary situations which warrant starting of new divisions of particular faculties, the State Government, with reasons to be recorded in writing, shall have the authority to declare and adopt the fast track system of grant of permission to start such new divisions and the norms and procedures related thereto:

Provided that, the procedure for grant of permission in such extraordinary situations shall be completed not later than the Academic Year in which such new divisions are to be started:

Provided further that, the applications for starting of new divisions under the fast track system shall be duly processed by the university On the compliance of necessary conditions, if the University recommends to the Government the proposal for starting such new divisions, then such permission shall be deemed to have been accorded by the State Government if no adverse communication of any nature is issued by the State Government upto the Academic Year in which such new divisions are to be started

(9) The State Government, for the purpose of giving effect to the provisions of sub-section (3) or sub-section (4), as the case may be, may by notification in the Official Gazette, lay down the procedure to be followed for the purposes under the said sub-sections

276. Procedure for affiliation.

- (1) On receipt of the permission from the State Government, the Academic Council of the university shall consider grant of first time affiliation to the new college or institution of higher learning or to the new courses of study, subjects, faculties, additional divisions, or satellite centers as the case may be
- (2) The Academic Council shall decide, -
 - (a) whether affiliation should be granted or rejected;
 - (b) whether affiliation should be granted in whole or part;
 - (c) subjects, courses of study, the number of students to be admitted;
 - (d) conditions, if any, which may be stipulated while granting or for granting the affiliation to be complied within reasonable time:

Provided that, in case of failure to comply with such conditions within such period, the affiliation granted shall be deemed to have been cancelled and no communication in this regard by the university to the management concerned shall be necessary

- (3) The Vice-Chancellor shall communicate the decision of Academic Council to the management with a copy to the Director of Higher Education, within one month from the date of communication of sanction by the State Government in respect of opening the new college or institution of higher learning or starting a new course of study, subjects, faculties or additional divisions, or satellite centers and if the application for affiliation is granted, along with an intimation regarding,
 - (a) the courses of study, subjects, faculties or additional divisions for which affiliation is granted;
 - (b) the number of students to be admitted
 - (c) the conditions, if any, subject to the fulfillment of which the affiliation is granted and time stipulated for compliance of such conditions
- (4) Where the college or institution is eligible and due for accreditation or re-accreditation, as the case may be, and such college fails to comply with the requirements of accreditation or re-accreditation, then no affiliation shall be granted by the university to such college or institution;

Provided that, nothing in this sub-section shall apply in respect of the affiliation for natural growth of the faculty, additional division, course of study, subject or satellite center

- (5) No student shall be admitted by the college or institution unless the university has granted the affiliation to the college or institution of higher learning or to a new course of study, subject, faculty or additional division

RECOGNITION OF POST GRADUATE CENTRE

287. Requirements for recognition of post graduate centre of the university.

For the purpose of organisation and co-ordination of Post-graduate teaching, training and research in the University will be conducted at such centres/affiliated colleges and in such subjects as may be specified when granting the recognition.

The following shall be the requirements for recognition of a centre for imparting postgraduate instructions and/or teaching:

(a) In the faculties of (1) Arts (2) Science in all subjects other than Chemistry, and (3) Commerce,

(i) For instituting a post-graduate centre in the subject concerned it shall be necessary that full teaching of all the papers in the subject be organised and implemented.

(ii) It shall be necessary for a post-graduate centre in a subject concerned in any of the above faculties to have on its local staff at least three recognised postgraduate teachers in the subjects.

Provided that while granting a Post-graduate centre in common subjects like English Economics in different faculties, in the colleges run by the same management in the same premises, the recognised post-graduate teachers working in a college or colleges or institution or institutions under the same management in the same premises may for the purpose of this ordinance with the permission of the Vice Chancellor be treated as the local staff for any one faculty but not in two or more faculties.

In the Faculty of Science (Chemistry only): For instituting a post-graduate centre in the subject of Chemistry, the following local staff of a College/Institution shall be required:

(b) Three recognised post-graduate teachers out of which two recognised postgraduate teachers shall be in the branch of the subject concerned and one recognised post-graduate teacher shall be in either of the remaining branches of the subject concerned.

(Provided that In the case of any of the post-graduate centres in Inorganic, Organic, or Physical Chemistry if there is no adequate local staff as required due to certain circumstances, such a centre will be permitted to continue, provided it has one full-fledged post-graduate teacher in the branch of the subject of the post-graduate centre concerned and other teachers in any other branch or branches as required under clause above.)

For instituting a post-graduate centre in Group "D" - Analytical Chemistry, following

shall be the minimum requirement of local teaching staff:

(c) Not less than two-third of the total number of periods in the subjects be provided for by the college from amongst its own local staff duly recognised and not more than one third of the total number of periods per subject per week may be provided for in a term by inviting such number of recognised teacher or teachers duly recognised either as postgraduate from other colleges or recognised institutions or University departments.

(d) No Centre shall work for less than five days a week where practical work is not involved and six days a week where practical work is involved with not more than four lectures to be delivered on Sundays, if necessary.

288. Process for recognition of post graduate centre of the university.

- The authorities of an affiliated college or a recognised institution desiring to have/start a post-graduate centre for a particular subject at their college or recognised institution which have 2 passed out batches of Under graduate, shall apply to the University in a prescribed form in terms of condition laid down above along with fees of Rs. 30000/- per semester in case of Arts and Commerce and Rs. 50000/- per semester in case of Science.
- The matter of recognition of a Post- Graduate Centre any institution situated within the University area must be first examined by the Academic Council which would then recommend the same to the Executive Council.
- The Executive Council would, if needed, may set up a Local Inquiry Committee (LIC), before deciding the recognition. Such recognition will be given by the University on the basis of recommendation of LIC.
- The affiliated colleges, learner support centres or recognised institutions applying to the University for recognition of post-graduate centres in one subject or more shall undertake the responsibility of fulfilling the requirements of such a centre and other terms and conditions as laid down by the University from time to time.
- There shall not generally be more than three post-graduate centres in a district, provided that the University may in its discretion permit the opening of a fourth Centre in an exceptional case for the same subject of post-graduate study at another place, if
 - there are at least two hundred forty students enrolled in those three centres in the preceding year, and
 - the institution applying for the new centre has at least forty candidates ready for enrolment to start with and fulfils all the conditions laid down under the relevant rules for opening a centre. In no case, there shall be more than four centres in a subject in the same district.
- It shall be a condition for affiliation of colleges and recognition of institutions that they will co-operate in the scheme and work of post- graduate teaching of the University.
- In case of post-graduate teacher of a particular place requiring to visit a recognised centre for collaboration in its teaching work, the inviting post- graduate centre will bear the expenses of lodging of the visiting teachers. The actual travelling expenses of the teacher shall be borne by the University as per rules to be made in that behalf.

289. Guidelines for permitting postgraduate programmes in an affiliated college.

(a) General Conditions

- The college shall comply with all the provisions of the Act, the Statutes, the Ordinances and also the rules and regulations of the University framed in this regard.
- Colleges having permanent affiliation or at least four years of continuous affiliation only shall be eligible to start postgraduate programmes.
- There shall be a core faculty consisting of at least four full-time members for each postgraduate programme in a college. All the faculty members shall be duly qualified as prescribed by the UGC from time to time. Among them at least two members should possess research degree (Ph.D.)

- (4) All the faculty members shall be paid as per pay scales prescribed for the concerned cadres viz., Professors, Readers, Lecturers by UGC/AICTE and payment shall be made through Bank.
- (5) In addition to the core faculty, retired teachers having more than five years of teaching experience at the P.G. level may be appointed as visiting faculty to handle certain specialized topics/subjects if need be. In exceptional cases eminent persons may also be invited to deliver lectures.
- (6) There shall be separate faculty for each postgraduate programme. Undergraduate teachers shall not be permitted to handle post-graduate classes.
- (7) The number of teaching posts, the qualifications (as prescribed by the University) of the teaching staff, their recruitment procedure and conditions of service shall be in accordance with the Statutes/Ordinances/Regulations of the University in private colleges and shall be such as to ensure the imparting of adequate instructions to the students in the courses of studies to be undertaken by the College. However, the service conditions of employees shall be as prescribed by the Government.
- (8) Atleast one member of the P.G. faculty of the college and one representative of the concerned University shall be represented in the Governing Council.
- (9) The students shall be admitted to the postgraduate programmes as per the regulations prescribed for the concerned programme by the concerned university and also as per the guidelines of admissions issued by the state Government from time to time.
- (10) The college/institution shall collect tuition and other fees as prescribed by the University/ State Government from time to time.
- (11) The intake for each postgraduate programme shall be as fixed by the University/State Government/AICTE/Bar Council of India/ AICTE/UGC etc.
- (12) The academic and welfare activities of the students belonging to backward classes and Scheduled castes/Tribes shall be properly looked after and special attention be paid by the colleges to their problem while also adhering to State rules and directions on reservation.
- (13) No college shall impose levies its teaching and non-teaching staff for meeting recurring or non-recurring general or special expenditure of the college or impose cuts in their salaries for any other purpose.
- (14) The college shall have undisputed possession of land measuring atleast 5 acres and shall submit a blue print of the proposed building for the college.

(b) Infrastructure Requirements

- (1) The college shall establish a separate library specifically dedicated to postgraduate programs. This library will be equipped with essential facilities such as a reading room, journal section, textbook section, and reference section, in addition to internet access. The seating capacity of the library will be determined based on the number of postgraduate students enrolled in the programs. A designated librarian will be appointed to manage the postgraduate library, especially if the college offers more than two postgraduate courses.
- (2) Additionally, the college will provide separate classrooms, staff rooms, a ladies' common room, and laboratories exclusively for the postgraduate programs. The size of these facilities, including classrooms and laboratories, will be determined based on the number of students admitted to each program.
- (3) Furthermore, the college must ensure the availability of separate hostel facilities for postgraduate students.

- (4) The college is required to demonstrate to the University that it possesses adequate financial provisions and has deposited the necessary endowment funds to support the postgraduate programs.
- (5) Moreover, the college must also prove that it has a sufficient recurring income from its own resources to ensure its continuous and efficient functioning.

(c) Research Facilities

The postgraduate teaching will be more meaningful if the institutions create facilities for research in the concerned disciplines. This will enable the faculty members of the concerned disciplines. This will enable the faculty members of the concerned disciplines to keep themselves abreast of the latest developments in their own areas of specializations. If the institution creates research facilities, it will enable the faculty members to initiate projects and also apply for funding from specific agencies.

(d) Library

The library should have an adequate number of journals (both Indian and Foreign) in the concerned disciplines. There should be internet facilities to enable the faculty and scholars to have access to worldwide information.

- (i) Databases relating to the concerned disciplines in colleges offering postgraduate courses should be procured by the first year, and
- (ii) There shall be an investment of at least Rs. 2 lakh in the first year and Rs. 50,000 in every subsequent year for library and journals pertaining to each P.G. program.

(e) Laboratories

- (1) For the post-graduate programmes, in the science disciplines, a dedicated research laboratory shall be established exclusively for research purposes.
- (2) In the case of a Non-Government college, its management is required to have its accounts audited annually by a chartered accountant chosen from a panel approved by the University. A copy of the annual accounts, along with the audit report, must be provided to the University for inspection.
- (3) All necessary registers and records, as mandated by University Regulations and Government orders, shall be meticulously maintained. These records will be made available for inspection by the University or Government authorities whenever required.

(f) Preliminary Project Report

- (1) The college which intends to apply for postgraduate programmes shall prepare a preliminary project report showing the infrastructure and other facilities available for each programme, sufficient proof of financial and other resources for sustaining the programme.
- (2) The college shall also give an undertaking that it abides by all the conditions mentioned above if it is considered for granting affiliation to postgraduate programmes.
- (3) The preliminary project report must be prepared and submitted as per the enclosed Proforma.
- (4) After receiving the preliminary project report, the University shall constitute a committee including the Dean of the concerned faculty and one or two expert members. This committee will assess the preliminary report and provide its opinion about the feasibility and need for starting the postgraduate program in the college.

(g) Local Inquiry Committee

Based on the committee's report the University shall arrange to send a Local Inquiry

Committee in accordance with the provisions of the Act, Statute and Regulations to visit the college and give its report. While giving its recommendations the LIC shall strictly follow the above guidelines and shall not recommend if the institution is incapable of fulfilling the conditions.

(h) Final Approval/Disapproval

- (1) Based on the report of LIC the University will approve/disapprove the affiliation.
- (2) Notwithstanding the guidelines laid down above, all the conditions prescribed by the Act, Statutes, Ordinance, and Regulations in respect of Affiliation shall be mandatory.

Note: The Exercise on affiliation shall begin at least nine months in advance and get completed at least two months before the admissions are made in the College.
